

Florida High School Out-of-State Residency Waiver Request

HB 851, FS 1009.26(12)(a)

Effective July 1, 2014 [applicable for Fall 2014 and thereafter], House Bill 851 [amended section (s.) 1009.26 (12)(a), Florida Statutes (F.S.), fee waivers] authorizes an out-of-state fee waiver for students who attended a high school in Florida, regardless of immigration status.

Fees Waived: Out-of-state tuition.

Eligibility Terms:

- Attended a Florida high school for three (3) consecutive years immediately before graduation from a Florida high school.
- Enroll in an institution of higher education within 24 months after high school graduation.
- Submitted an official high school transcript providing evidence of high school attendance as listed above.
- Cannot have 3rd or 4th attempt course fees waived.
- Cannot have received more than 110% of program credit hours waived.

Conditions:

- The waiver is for college credit courses including post-secondary adult vocational courses (vocational credit); it does not apply to non-credit (continuing education) courses or adult education courses.
- Receiving this tuition waiver does not constitute classification as a Florida resident for tuition purposes and does not necessarily qualify you for such classification in the future.
- You must apply for this waiver every term before the posted residency documentation deadline at the Office of Enrollment Management, Admissions. Failure to do so will result in out-of-state fees being assessed.
- Using this waiver makes you ineligible for state financial aid such as Bright Futures.
