Constitution Day

By: Aydin Alexander, Jarrett Miller, and Hadden Miller

On September 17th, students attended the annual Constitution Day at the CFK Library. Dr. Charles Goulding, a professor of the college, presented information and asked questions. He gave the students sweet treats if they knew the answers to his questions.

The students learned about the Constitution's creators, fun facts, and the disagreements that came with the development of one of our Nation's most precious documents.

Meet the Counselor

By Macey Carey

CFK Academy recently hired a new counselor, Ms. Huebscher. The staff and students are excited to get to know her. She's been working in education for fourteen years, and her favorite thing so far about the Academy is Wellness Fridays. She enjoys chaperoning at student community service sites too.

Ms. Huebscher loves the outdoors, and it shows through her hobbies. Her favorites include pickle ball, boating, hiking or even just relaxing on the beach. One of her favorite quotes is by Vince Lombardi: "The difference between a successful person and others is not a lack of strength, not a lack of knowledge, but rather a lack of will." CFKA is happy to welcome our new counselor.
