

Key West Sunrise Rotary Mike and Debbie Horne Vocational Scholarship

Description

The goal of the scholarship will be to honor and support a graduating senior from A Key West area high school, who wants a vocational education and training to prepare for work in a trade and demonstrated values inherent to Rotary. The student should demonstrate a balanced commitment to academics, community, and vocation.

Award Amount

The scholarship amount awarded will be \$2,500 annually for a maximum of 2 years of college. The total award will be \$5,000 upon successful completion of established criteria and Vocational training.

Criteria / Eligibility

- Graduating Senior from Key West area high schools.
- Has been accepted to an accredited Vocational Technical School or college.
- Academic achievement in the area of the desired vocation (if such training is available).
- Community Service documented at high school. (Include the first page of official transcript and Community Service Pages).

Application Requirements

- Complete application by deadline determined by the Key West Sunrise Rotary Club.
- Proof of acceptance to an accredited educational institution for scholarship to be considered a recipient.
- A Letter or Statement of your plans for a vocation and life after training.
- Interview with Sunrise Rotary scholarship committee if needed.
